The New Horizon

Its been a decade of service and there is more to be done. Sneha Sandhya Age Care Foundation is glad to share with you, the glimpses of our journey as we travel together in serving the elderly and the seriously ill. We will also be updating you, from time to time, on the progress of an epoch in the making i.e. construction of foundation's integrated center for Geriatric & Palliative Care health facility at Visakhapatnam.

Out-Reach Clinics and Old Age Home Visits

On the occasion of World Hospice and Palliative care day on 8th Oct, Age Care Foundation is glad to announce the launch of a "Certificate Course for Home based Health Care Assistants" (care givers) in association with Centurion University, Vizianagaram and GVP hospital, Visakhapatnam. The MOU was signed on 10th Oct by Sri.G.Sambasiva Rao, Chairman, Age Care Foundation, Col. G.S.N.Raju, Vice-Chancellor of Centurion University and Prof.P. Soma Raju, Secretary, Gayatri Vidya Parishad.

For most of us working in Hospice, its so much more than a job, its a commitment to making an impact on the lives of the patients we care for and their families.

Progress of construction: All the statutory approvals and clearances obtained and construction started in right earnest. Footings completed for the entire building. Column work upto First Slab level completed for Block A & B and upto plinth level for Block-C. Casting of first slab (stilt level) is expected to start by the last week of November 2022.

The integrated center for Geriatric & Palliative Care, the Bhoomi Pooja for which was performed on 7th Aug, 2022, is now under construction at Gambheeram, Visakhapatnam. The land for the project has been provided by Free Polio Sugical & Research foundation, Visakhapatnam and the gigantic task of construction of the health care facility is being accomplished with the kind hearted support of many institutional and individual donors. Age Care Foundation is thankful to each and every one of the donors and well wishers for becoming a part of the endeavour to serve the elderly and the seriously sick.

It has been the endeavour of the foundation to reach out to more number of under-served among the community in need of geriatric services. The out-reach clinics are part of the effort.

Celebrating Life - Lakshmi Puja on the eve of Diwali at Hospice

Diwali puja in the presence and participation of patients at the Palliative Care facility in GVP Medical College. Adding life to the days, a part of the holistic approach in palliative care.
