AGE CARE FOUNDATION
Where Care Comes First

Dear Sir / Madam

Warm greetings from Age Care Foundation.

For over a decade, Age Care Foundation has stood as a pillar of compassionate health care to the elderly and the seriously ill. What began in 2012 as a humble initiative has today grown into a comprehensive movement of care, touching countless lives across Visakhapatnam and surrounding regions.

FROM VISION TO REALITY

The Integrated Geriatric & Palliative Care Hospital at Gambheeram, Visakhapatnam, is now fully operational. It is the first-of-its-kind facility in Andhra Pradesh dedicated to comprehensive care to the elderly with long term care needs and seriously ill patients who are in need of palliative care.

The Centre is now providing:

- Geriatric longterm care
- Palliative care
- Dementia care
- Rehabilitative care
- Transitional care
- Respite care

**Let us come together to care for
the elderly and the seriously ill**

**A DECADE OF SERVICE WITH EXPERTISE,
EMPATHY AND COMPASSION**

THE NEED OF THE HOUR

With the expansion of our services through this hospital, we are now prepared to serve more and serve better. At the same time, we now have the responsibility to ensure the required resources to sustain these services.

Every patient we care for, every family we support, and every life we touch depends upon continued community participation.
